April 6, 2026

- Combined company has more than \$30 billion in assets on the Silvia platform and thousands of multi-millionaire users
- Silvia uses an army of AI agents to help independent investors make money

NEW YORK--(BUSINESS WIRE)--Apr. 6, 2026-- [ProCap Financial, Inc.](#) (Nasdaq: BRR) ("ProCap Financial" or the "Company"), the first publicly traded agentic finance firm, today announced the completion of its acquisition of [CFO Silvia, Inc.](#) ("Silvia"), an AI model and agent lab exclusively focused on finance.

"Silvia is one of the leading examples of applied AI in the finance industry," said **Anthony Pompliano, Chairman and CEO of ProCap Financial**. "Silvia has been able to use an army of AI agents to replicate the work of hundreds of employees, which allows it to be more efficient and effective than traditional firms. We believe the future of finance will be determined by those who embrace AI and Bitcoin."

Using Silvia's consumer platform, investors can connect their full range of assets, including stocks, bonds, crypto, real estate, vehicles, collectibles, precious metals, and private investments. Silvia then deploys proprietary AI agents to analyze and monitor portfolios and perform scenario planning to deliver personalized financial insights in real time.

Since its public launch in May 2025, Silvia has scaled rapidly:

- More than **\$30 billion** in assets on the platform
- Average user net worth exceeds **\$2.5 million**
- Average user has connected **12+ accounts**
- **94%** of users actively engage with Silvia's AI-powered features
