

ProCap Financial Launches ProCap Insights, the First Agentic Research Offering in Finance

April 7, 2026

- ProCap Insights is produced by AI agents, automating away the need for hundreds of analysts.
- ProCap Insights delivers high-quality research faster and cheaper than traditional financial services firms.

NEW YORK--(BUSINESS WIRE)--Apr. 7, 2026-- [ProCap Financial, Inc.](#) (Nasdaq: BRR) (the "Company"), the first publicly traded agentic finance firm, today launched [ProCap Insights](#), the first agentic research offering in finance.

Leveraging the latest artificial intelligence technology, ProCap Insights delivers institutional-grade research to help independent investors make more informed investment decisions. Reports cover single-name stocks, thematic trends, and macro analysis across sectors and asset classes.

Research may also draw on trends derived from the proprietary and anonymized data captured by [Silvia](#), ProCap Financial's free consumer product that tracks more than \$30 billion in assets across thousands of users with an average net worth exceeding \$2.5 million.

"Artificial intelligence is very good at finding hidden insights across financial markets, while also creating research cheaper and faster than ever before," said **Anthony Pompliano, Chairman and CEO of ProCap Financial**. "While others are debating the impact of AI inside their firms, ProCap Insights is embracing this new technology to pioneer a better way of educating investors. We fundamentally believe the machines are smarter than humans and aspire to be a trusted resource for serious investors who want to make money."

To lead this effort, **Phil Rosen** will join the Company as Chief Market Strategist. An award-winning financial journalist, Mr. Rosen is the co-founder of [Opening Bell Daily](#) and the host of the investing show [Full Signal](#).
